15. Multidisciplinary / interdisciplinary

We are a multifaculty co-education college, inherently our set up strongly supports the multidisciplinary/interdisciplinary approach. As per the CBCS structure introduced by the affiliating university we offer GENERIC ELECTIVE COURSE. Students of Literature program select Generic Elective of Social Sciences and Vice-versa. Faculty members of the college are engaged in the strong multidisciplinary research. Number faculty members have completed SWAYAM courses in their areas of interest. The Add-on programs offered by the college are open for all students thereby fostering the multidisciplineriness in the Institute.

16. Academic bank of credits (ABC):

In tune with NEP-2020 and the guidelines issued by the UGC, the college is working efficiently to create awareness about

academic bank of credits among the students and the faculty members. The College has constituted the ABC Committee for the same and appointed faculty wise coordinators for the smooth and timely registration of the students on Digilocker. We have widely shared the video guiding the students as to how they should register themselves for the Academic Bank of Credits. The college and the IQAC has made efforts to create awareness about SWAYAM and ARPIT courses among staff and students.

17.Skill development:

The College always focuses on the inculcation of Soft skills and Hard skills among the students. The skills based Add-on program on Arduino is being run by the college. The College conducts Hands-on Trainings of the students. The College has signed MoUs with the Industry, reputed agencies and good colleges and varsities in order to enhance the soft and hard skills of the students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college offers courses in Indian languages. The college has Music Department which teaches Hindustani Classical Music to the students. The syllabi of various language programs include the literature written on the Indian mythology, culture and history. Faculty members of the college have undertaken research which incorporates Indian Knowledge system.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Evaluation of the attainment of program-specific outcome is a key to assure the quality enhancement process of an institution. The academic progress of the students is regularly monitored by subject teachers, class in-charge as well as respective Heads of Departments for effective program outcomes attainments. The college ensures the outcome of the programs through the analysis of the internal and external examination results and achievements in the placements, sports, cultural and extension activities. The NSS and NCC units of the college organize various community-oriented activities. These efforts help to instill socio-ethical values and develop community service attitude among the students.

The assessment tools and processes used for measuring the attainment of each PO's, PSO's and CO's are direct and indirect methods. Direct methods are provided through university examination of observations of students' knowledge or skills against measurable course outcomes. The knowledge and skill

described by the course outcomes are mapped to specific problems on university internal examination etc. Average attainment in direct method is equal to university examination (60%) + Internal assessment (40%). Indirect assessment method comprises from students' feedback and survey, employability and progression to higher education.

20.Distance education/online education:

The college has a recognized Study Centre of Yashwantrao Chavan Maharashtra Open University (popularly known as YCMOU). Through this STUDY CENTRE college offers Certificate, UG and PG programs. The College does not offer any recognised online program as on date.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery system in the college is well-planned and student-centric in order to achieve holistic development of the students. In the beginning of an academic year, academic calendar and teaching plan get prepared and the same gets communicated to the students in advance. IQAC in its meetings devises a roadmap

regarding the effective curriculum delivery. Varied teaching strategies such as Lecture methods, participative learning, cooperative learning, experiential learning, ICT enabled lectures and field work are being adopted by the faculties. The Time-table Committee headed by a senior faculty member prepares master timetable which efficiently deploys the time slots for theory, practical and Add-on classes, thereby ensuring a balance between the different types of engagement a student is expected to participate in. A separate ICT Committee has been set up to motivate faculty members to apply advanced pedagogical methods and tools in class room. This committee maintains record of ICT database in the form of PPT's and recorded lectures provided through Lecture Capturing System and Google classroom made the process effective. Online learning management platforms like Moodle, EduNext, ePG-Pathshala, NPTEL, Spoken Tutorials, Purdue Writing Lab, Google classroom etc are being used for effective delivery of learning/Study materials for students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar gets prepared by IQAC after a thorough deliberation with faculty members and various stakeholders in the month of March every year. Being an affiliated Institute, our calendar is in tune with the affiliating university's academic calendar. Schedule of all curricular and co-curricular activities is highlighted in the academic calendar. Semester wise planning of curriculum delivery is an essential aspect of our academic calendar.

After the finalization of academic calendar, the same gets displayed on the college website for the facilitation of the stakeholders. Institute strictly adheres to the academic calendar for admission process, teaching plan, actual teaching days, vacations, Continuous Internal Evaluation (CIE), University exams and various co-curricular activities etc.

CIE is being looked after by a separate Internal Examination Committee. Institute strictly adheres to the academic calendar for

the conduction, evaluation and grievance redressal related to CIE. All the departments of the college conduct unit tests and tutorials periodically to ensure effective implementation of the curriculum as per college academic calendar

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

We are catering to the rural masses and tribal populace; efforts are being taken to integrate the various cross cutting issues through the curriculum by the university and through Add-on courses, supporting activities etc. by the college. Being an affiliated college, the institute meticulously follows the curriculum prescribed by the university. The university integrates

cross-cutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics into the curriculum. Following are the details of the courses which integrate cross-cutting issues into the curriculum.

Course in Environment studies is compulsory for the first year UG students of all the programmes. The course introduces the students to its multidisciplinary nature and also emphasizes on the renewable and nonrenewable resources and the problems associated with environment. Apart from environmental studies there are number of courses in the curriculum that cater environment and sustainability issues, such as Literature, Economics, Chemistry, Zoology, Botany, Microbiology etc. Institute has organized Environmental Awareness Programmes and Rally arranged on Save Water. Geography department has initiated the activity of Nature club for college students with the aim to create environmental consciousness among the students.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

At the entry level, slow and advanced learners are identified through students' subject tests, classroom interactions, performances in previous examination. It helps to identify

learning levels of students and to segregate slow and advanced learners. At the beginning of teaching session every teacher is allocated a group of about 30-40 mentees. The teachers personally monitor the progress of slow learners and address their academic and personal issues. College organizes remedial lectures for slow learners, the students enlisted under the remedial coaching scheme have successfully passed the university examinations.

For slow learners institute provides:

Personal counselling, Home assignments, Extra lectures ,Tests/Tutorials, Question Bank, Question paper solving, Remedial coaching, Simplified Study Material.

For Advanced Learners

Advanced learners are given challenges deliberately to channelize their performances and sharpen them; advanced learners are encouraged to participate in: - Departmental Quiz Competition. MPSC/UPSC Guidance (Competitive Examination Guidance) Research Projects. Seminars/Conferences/Workshops. AVISHKAR Research Competition.

The college promotes and motivates Advanced Learners to write articles in the annual Magazine of the college "SHARBHANG". This activity helps students polish their writing, reasoning and critical thinking ability. The Cultural Committee and Music department conducts training in cultural activities such as One Act Play, Folk Songs, Indian Classical and Western Music.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The departments of the college adopt following strategies invariably to make learning more students centric and ensure effective learning.

Experiential teaching-learning

The institute focuses on the experiential teaching learning methodology through Industrial training, Field visits, Study tours and project work. The study tours are organized by various departments in which students learn through observations and interactions. Department of Commerce organizes visits to Banks, Credit Societies and Cooperative organizations in order to make the students aware about work culture and professional nuances of these institutions. Such visits also help students to improve financial literacy and accounting skills.

Hands-on Training session are organized by department of electronics. Career Oriented Courses help to develop practical skills among the students.

Participative learning

This is the best student-centric learning method, in which students actively participate in activities such as: Class seminars Group discussions Participation in debates Questioning method/Quiz method Role-playing method/Acting out method Drama/Mimes Field visits/Industrial visits/Survey etc. Research projects Wall paper writing such as "Economic news every day"

Problem solving methodologies are intended to make the students take responsibilities, resolve conflicts and find alternatives. It promotes critical thinking, creativity and scientific temperament. Departments like, Physics, Mathematics, Electronics and computers are using this method successfully

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Strategic plan sets out a framework of priorities for the Institution, its divisions and Departments. As per the perspective plan under the curricular aspect the college had decided to introduce new UG/PG/Research programs and Add on courses which cater the needs of students to succeed in a global workplace and do undergo academic and other quality related audits. Following is the example of the successful and effective implementation of the perspective plan. As a post accreditation measure the college has prepared five-year perspective plan from 2014-15 to 2018-19 immediately after second cycle of accreditation in march 2014. To cater the needs of the students and to expand the academic horizon of the college. The perspective plan committee in its meetings had decided to introduce undergraduate programs in the faculty of arts and science and also a vocational UG program. It had also been decided to introduce new PG and research programs in science faculty. Being an affiliated college, we have to follow university curriculum but this curriculum could not fulfil all the needs of the students hence it had been decided to introduce value added and add on courses in the college.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

For Teaching Staff: Every academic year, the faculty members maintain a record of their performance and activities, and are required to submit a performance appraisal form designed on the basis of PBAS (Performance Based Appraisal System) approved by

UGC. The format includes details of the academic and administrative responsibilities such as

- Teaching
- Innovative methods such ICT or experiential learning etc. used in teaching
- Student related co- curricular activities conducted question paper setting and the examination/ evaluation
- Research activities
- Publications
- Working in various committees of the college
- Extension work/social work in neighbourhood community.

Non-teaching staff: The performance appraisal system for Non-Teaching staff is channelized through confidential report. Every member of the Administrative staff has to fill this form and hand it over to the Registrar of the college. The Registrar adds his own observations and comments and forwards it to the Principal for the final remark. After the Principal's remark it is advanced to the parent institution for further scrutiny and assessment. Action is taken accordingly. Thus, the Institution has Performance Appraisal System for teaching and non-teaching staff which aids in improvisation of the standards of the staff members.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

In the pursuance for quality assurance, quality up-gradation, assessment and accreditation, and institutionalization the college has established the Internal Quality Assurance Cell. IQAC has become valuable in suggesting a number of quality improvement measures in the college. It plays a catalytic role in the quality improvement of the college. The two examples of practices institutionalized as a result of IQAC initiatives are given as under: ICT enabled pedagogy, administration and documentation: To cope up with the changing world scenario IQAC has always advocated use of ICT in almost every process of the college. The IQAC has motivated its faculty members to adapt as per changing technological scenario. IQAC has promoted teaching and support staff to undergo training for capacity building. During the last five years number of faculty members have attended FDP/RC/OC/Induction programs that has helped enhance their technical expertise. The college has 10 ICT classrooms in order to conduct ICT enabled lectures. Teachers and students use various e-resources for the effective teaching-learning experience. IQAC

shouldered the responsibility of designing and upgrading of the college website from static to dynamic.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college reviews its teaching-learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC. Following are two examples of institutional reviews and implementation of teaching-learning reforms facilitated by IQAC Structured feedback and Review of learning outcomes:

Feedback is a vital part of the teaching-learning process. The college has developed an online feedback system. The analysis of the effectiveness of teaching learning is made through the stakeholder's feedback mechanism. It helps the mentor to recognize that how the students know his or her subject being taught. The collection and analysis of feedback from different stakeholder assist the institution to understand the need of society and what other stakeholders foresee from the college.

Keeping this view in the centre, IQAC has developed well-structured feedback systems. IQAC prepares various feedback forms and collects structured feedback on design and review of syllabus and student feedback on teachers. Each department analyses the feedback, discusses in the departmental meetings and submits a consolidated report to IQAC. IQAC prepares an inclusive feedback report of the college and if necessary, communicates to concern BOS of K.B.C. N. M. University, Jalgaon for further improvement and implementation.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

In tune with the vision of the institute we strongly believe in the principle of gender equity and provide equal opportunity for women on the campus in various academic administrative and other domains. Institution has carried out following initiatives and programs towards gender equity and sensitization:

- Judo-Karate training camp-Self Defense for Women
- Personality Development Workshop for Women
- Workshop on Prevention of Sexual Harassment at workplace

In a co-education college and in a society in general women's safety and security is at top priority. We as an institution take utmost care regarding the safety and security of girl students and female staff in the campus. Following measures have been taken by the institute:

- The College in assistance with the Maharashtra Police Department looks after the safety and security of the girl

students and women staff in the college campus.

- Besides college security guards look after the security concerns of girl students and ladies staff.
- CCTV cameras have been installed in the college premises at various places.
- The institute has a robust and efficient "Yuvatisabha" under the leadership of a lady faculty member, which addresses the issues related to women's health, hygiene, security and gender equality.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management:

The dried foliage of the campus and garden, dried leaves and twigs of plants in Botany departments are disposed off in the special chamber provided. We dump solid waste materials in compost manure pit. The food and vegetable waste from hostel mess and canteen is dumped on daily basis in the composted manure pit. Remaining waste is dispatched to solid waste collection vehicle of Municipal

Corporation. Liquid Waste:

A proper drainage system is setup and absorption pit have been provided near science laboratories for liquid waste management - wastewater, waste chemicals, and waste culture of Botany, Microbiology and Chemistry.

E-Waste:

Most of the electronic gadgets are periodically repaired for efficient utilization and remaining scrapped are replaced under buy-back scheme of the outside agencies. Hence, minimum e-waste is generated on the campus. Old electronic devices of Physics and electronics departments - circuits, motherboards, and calculators are given to the students for preparing under their academic projects.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

"Socio-economic upliftment of First-generation learners and Women Empowerment through Quality Education" Mahatma Gandhi ShikshanMandal's Arts, Science and Commerce College Chopda was established in1969 by Hon'ble Dadasaheb Dr. Suresh G. Patil (Ex MLA) and formerEducation Minister Late Sau. Sharachchandrika Suresh Patil, to disseminate value-based education and uplift the vocational skills of rural masses for their holistic development. The college was established in response to the dire needs of the young generation of peasants and the landless workers, and poor and downtrodden inhabitants of the region, who insteadof academic brilliance had no hope for higher education. The college fulfils its mission ofcreating an educational environment for the spiralling development of such people under the scholarly guidance of the pioneers, President and Management, Principal, Teaching, andwith proper representation of students in various committees and activities. The distinctiveness of the institution lies in the

"Socio-economic upliftment of First generation learners and Women Empowerment through Quality Education". A majority of the college students are first generation learners from remote, rural areas of the region. Due to orthodox and conservative background of the populace most of the girls were not allowed to attend or enroll higher education especially in a co-education college like ours.
