15. Multidisciplinary / interdisciplinary
--

We are a multifaculty co-education college, inherently our set up strongly supports the multidisciplinary/interdisciplinary approach. As per the CBCS structure introduced by the affiliating university we offer GENERIC ELECTIVE COURSE. Students of Literature program select Generic Elective of Social Sciences and Vice-versa. Faculty members of the college are engaged in the strong multidisciplinary research. Number faculty members have completed SWAYAM courses in their areas of interest. The Add-on programs offered by the college are open for all students thereby fostering the multidisciplineriness in the Institute.

16.Academic bank of credits (ABC):

In tune with NEP-2020 and the guidelines issued by the UGC, the college is working efficiently to create awareness about academic bank of credits among the students and the faculty members. The College has constituted the ABC Committee for the same and appointed faculty wise coordinators for the smooth and timely registration of the students on Digilocker. We have widely shared the video guiding the students as to how they should register themselves for the Academic Bank of Credits. The college and the IQAC has made efforts to create awareness about SWAYAM and ARPIT courses among staff and students.

17.Skill development:

The College always focuses on the inculcation of Soft skills and Hard skills among the students. The skills based Add-on program on Arduino is being run by the college. The College conducts Hands-on Trainings of the students. The College has signed MoUs with the Industry, reputed agencies and good colleges and varsities in order to enhance the soft and hard skills of the students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college offers courses in Indian languages. The college has Music Department which teaches Hindustani Classical Music to the students. The syllabi of various language programs include the literature written on the Indian mythology, culture and history. Faculty members of the college have undertaken research which incorporates Indian Knowledge system.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Evaluation of the attainment of program-specific outcome is a key to assure the quality enhancement process of an institution. The academic progress of the students is regularly monitored by subject teachers, class in-charge as well as respective Heads of Departments for effective program outcomes attainments. The college ensures the outcome of the programs through the analysis of the internal and external examination results and achievements in the placements, sports, cultural and extension activities. The NSS and NCC units of the college organize various community-oriented activities. These efforts help to instill socio-ethical values and develop community service attitude among the students.

The assessment tools and processes used for measuring the

attainment of each PO's, PSO's and CO's are direct and indirect methods. Direct methods are provided through university examination of observations of students' knowledge or skills against measurable course outcomes. The knowledge and skill described by the course outcomes are mapped to specific problems on university internal examination etc. Average attainment in direct method is equal to university examination (60%) + Internal assessment (40%). Indirect assessment method comprises from students' feedback and survey, employability and progression to higher education.

20.Distance education/online education:

The college has a recognized Study Centre of Yashwantrao Chavan Maharashtra Open University (popularly known as YCMOU). Through this STUDY CENTRE college offers Certificate, UG and PG programs. The College does not offer any recognised online program as on date.

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
Curriculum delivery system in the college is well-planned and	

student-centric in order to achieve holistic development of the students. In the beginning of an academic year, academic calendar and teaching plan get prepared and the same gets communicated to the students in advance. IQAC in its meetings devises a roadmap regarding the effective curriculum delivery. Varied teaching strategies such as Lecture methods, participative learning, cooperative learning, experiential learning, ICT enabled lectures and field work are being adopted by the faculties. The Time-table Committee headed by a senior faculty member prepares master timetable which efficiently deploys the time slots for theory, practical and Add-on classes, thereby ensuring a balance between the different types of engagement a student is expected to participate in. A separate ICT Committee has been set up to motivate faculty members to apply advanced pedagogical methods and tools in class room. This committee maintains record of ICT database in the form of PPT's and recorded lectures provided through Lecture Capturing System and Google classroom made the process effective. Online learning management platforms like Moodle, EduNext, ePG-Pathshala, NPTEL, Spoken Tutorials, Purdue Writing Lab, Google classroom etc are being used for effective delivery of learning/Study materials for students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

IQAC consults academics and stakeholders every March to create the Academic Calendar. As an associated Institute, our calendar follows the university's. Academic calendars list all curricular and co-curricular events. Our academic schedule requires semester-wise curriculum preparation. After finalising the academic calendar, the college website displays it for stakeholders. Admissions, instructional plan, actual teaching days, holidays, Continuous Internal Evaluation (CIE), University examinations, and co-curricular activities follow the academic calendar. A separate Internal Examination Committee manages CIE. CIE administration, assessment, and grievance resolution follow the academic calendar. Unit examinations and tutorials in all college departments assure

curriculum implementation according to the academic calendar. The internal examination timetable is announced in advance and communicated to students via classroom notifications and the internet. Every academic year, students are informed of the ongoing internal assessment system, including evaluation methodologies, marking scheme, question paper type, and marking weightage. After consulting with IQAC, the college examination committee implemented these reforms :

- After evaluation, students see their answer papers for openness and accountability.
- Students discuss performance after assessment. Experimentally, this reformation yields the best outcomes.
- Online Test using Google form and Quiz Mojo etc.
- The internal exam committee reads and checks every mark entry before sending them to the university via the e-suvidha portal. reducing internal examination marking complaints.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Evaluation of the attainment of program-specific outcome is a key to assure the quality enhancement process of an institution. The academic progress of the students is regularly monitored by subject teachers, class in-charge as well as respective Heads of Departments for effective program outcomes attainments. The college ensures the outcome of the programs through the analysis of the internal and external examination results and achievements in the placements, sports, cultural and extension activities. The NSS and NCC units of the college organize various community-oriented activities. These efforts help to instill socio-ethical values and develop community service attitude among the students.

The assessment tools and processes used for measuring the attainment of each PO's, PSO's and CO's are direct and indirect methods. Direct methods are provided through university examination of observations of students' knowledge or skills against measurable course outcomes. The knowledge and skill described by the course outcomes are mapped to specific problems on university internal examination etc. Average attainment in direct method is equal to university examination (60%) + Internal assessment (40%). Indirect assessment method comprises from students' feedback and survey, employability and progression to higher education.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Strategic plan sets out a framework of priorities for the Institution, its divisions and Departments. As per the perspective plan under the curricular aspect the college had decided to introduce new UG/PG/Research programs and Add on courses which cater the needs of students to succeed in a global workplace and do undergo academic and other quality related audits. Following is the example of the successful and effective implementation of the perspective plan.

The perspective plan committee in its meetings had decided to introduce undergraduate programs in the faculty of arts and science and also a vocational UG program. It had also been decided to introduce new PG and research programs in science faculty. Being an affiliated college, we have to follow university curriculum but this curriculum could not fulfil all the needs of the students hence it had been decided to introduce value added and add-on courses in the college.

In the year 2020-21 the college has effectively deployed following in accordance with the perspective plan....

- Renovation and expansion of canteen facility
- Construction of Wall compound for the campus
- Construction initiated for new building block

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college reviews its teaching-learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC.

Structured feedback and Review of learning outcomes: Feedback is a vital part of the teaching-learning process. The college has developed an online feedback system. The analysis of the effectiveness of teaching learning is made through the stakeholder's feedback mechanism. It helps the mentor to recognize that how the students know his or her subject being taught. The collection and analysis of feedback from different stakeholder

assist the institution to understand the need of society and what other stakeholders foresee from the college.

Review of Lectures and Assignments and promotion of ICT in Teaching-Learning: In order to improve the quality of teaching-learning process, IQAC has recommended to implement random lecture observation system in the college. The responsibility for the same has been shouldered by the Heads of the department, selected senior faculty members and Vice Principals. After observation of the lecture the necessary quality improvement inputs are being communicated to the concerned teachers. This initiative has resulted in the higher efficiency and enhanced quality of pedagogy. All the teachers of the college use ICT tools in order to make their teaching effective.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

"Socio-economic upliftment of First-generation learners and Women Empowerment through Quality Education"

Mahatma Gandhi Shikshan Mandal's Arts, Science and Commerce College Chopda was established in 1969 by Hon'ble Dadasaheb Dr. Suresh G. Patil (Ex MLA) and former Education Minister Late Sau. Sharachchandrika Suresh Patil, to disseminate value-based

education and uplift the vocational skills of rural masses for their holistic development. The college was established in response to the dire needs of the young generation of peasants and the landless workers, and poor and downtrodden inhabitants of the region, who instead of academic brilliance had no hope for higher education. The college fulfils its mission of creating an educational environment for the spiralling development of such people under the scholarly guidance of the pioneers, President and Management, Principal, Teaching, Nonteaching staff and with proper representation of students in various committees and activities. The distinctiveness of the institution lies in the "Socio-economic upliftment of First generation learners and Women Empowerment through Quality Education". The college was established in the year 1969 and celebrating Golden Jubilee Year.
