5. Report of the event :

On 15th September 2017 faculty of Commerce and Management in ASC College has organized an industrial visit to Co-Operative Bank in Chopda. Students of S.Y.B.Com participated in this activity. The objective of the industrial visit is to help students to gain first-hand information regarding functioning of Co-Operative Bank. 10 students attended this industrial visit and they were very much satisfied with the functioning of the industry. Bank provides information about how to plan, organize inside for well-functioning. So to give a practical exposure and understand the application of theory into practice, B.Com student had visited Banking Industry.

Industrial visit was arranged for one day. This provides opportunity for interaction with Banking Officers and executives. Visit gives right perspective of about Co-Operative establishment and business houses for their contribution to Indian economy. These help students to understand the journey of product from place of banking services to customer's hands and management strategies, which make this visit fruitful.
