5. Report of the event :

On 03/12/2019 at 10.00 am, 'Ahirani Language Day' was organized by the Marathi Department of Mahatma Gandhi Shikshan Mandal's Arts, Science and Commerce College on the occasion of Khandeshkanya Bahinabai Chaudhari's Memorial Day. At the beginning of the program, the event was inaugurated by the guest laying a wreath at the statue of Khandeshkanya Bahinabai Chaudhary and late Mrs. Akkasaheb Sharaschandrika Suresh Patil (Former Minister of Education, State of Maharashtra) and worshipping texts in Ahirani language. On the occasion of this program, the head of music department Mr. Kishor Khandagale and the students of the department performed Ahirani welcome song. The program was presided over by the Principal of the College Dr. D.A. Suryawanshi.

On this occasion, the main guest was the poet Ashok Neelkanth Sonawane (famous Khandesh poet), Poet Mr. Vilas Patil (Famous Commentator), Vice-Principal of the College Mr. N.S. Kolhe, vice Principal Mr. BS Halpe, Mrs. M.T. Shinde, Supervisor Shri. VY Patil, Shri. P.L. Patil was present on the stage. The program was introduced by Mr. P.L. Patil in Ahirani language. At this time, he performed the Ahirani song 'Athani Kari Tathani Kari, Kari Zhoka Khay Va'. Ahirani is one of the many dialects in Marathi. Dr. Bapurao Desai, Dr. Ramesh Suryavanshi, Mr. Ramesh Aher have contributed to the promotion of Ahirani language. Similarly, Dr. Sarojini Babar has also added to the richness of the Ahirani language by compiling Ahirani folklore. It is important to note that many Ahirani literary newspapers today are cultivating Ahirani language. Writing, reading and communicating in Ahirani language takes time to propagate and spread. Understanding the implications of Ahirani folklore will no doubt enhance the beauty of this language. The misunderstanding of Ahirani-speaking Adani will only help in the preservation of the Ahirani language if we communicate it away. At this time, he presented his self-written and published comedy show 'Dekha Amana Gavma'. Speaking on the occasion, the principal of the college Dr. D.A. Suryawanshi said that Marathi as well as Ahirani languages are beautiful in all languages. The beauty of Ahirani language is further enhanced by its inclusion in all dialects. Since the preservation of this language is our responsibility, the more we communicate in this language, the richer it will be. What is special is that the entire event was celebrated in Ahirani language.

So don't try to catch a snake for no reason. If a snake bites, wash the wound first. Tie a tight bandage there. Stay calm without moving in any way. At that point, patience is just as important. If an injured snake is seen, it should be treated immediately by calling the snake friends as the snake is a natural balance keeping friend. It is the responsibility of every citizen to protect the wildlife.
