## Department of Electronics

1. Name of the Event : State Level Hands on Workshop  
On Arduino and Its Application
2. Date of the Event : 6 and 7 February 2019
3. Total number of Participants : 84
4. Co-coordinator of event : Dr. Lalchand B Patle
5. Report of the event :

Two days State Level Hands on Workshop on Arduino and Its Application (HAWAI 19) was jointly organized by Department of Electronics and MECALL Services Nashik on 6<sup>th</sup> and 7<sup>th</sup> February 2019. The program was digitally inaugurated by Prof. M. B. Hande. On this occasion, HOD of department of Electronics and Vice Principal, Prof. Dr. A. L. Chaudhari, Vice principal Dr. K N Sonawane, were present.

The preamble of the workshop was introduced by Dr. A. L. Chaudhary. In his preamble he said in order to develop the nation, students need to acquire technical expertise and skills. It becomes necessary to learn ROBOTICS. The main objective of this workshop is to teach the basics of ROBOTICS. Besides robotics, Arduino is the technology on which first of its kind workshop has been organized by any college in the region.

In the Second session, Prof. L. B. Patle has provided hands on training to the participates and effectively communicated the nuances of the Arduino technology. For this state level workshop students from the various corners of the state have been participated. All the faculty members and support staff took colossal effort to make this event grand success.
